Task Name	Start Date	End Date	Duration
Background Research about the project	27/09/17	27/10/17	30
Research methodologies and different tools	27/09/17	15/11/17	49
Gather Twitter data and finish pre-processing	15/11/17	01/12/17	16
Implement sentiment analysis for our different in	01/12/17	01/02/18	62
Analyze the sentiment analysis to see if correlatio	01/02/18	07/02/18	6
Evaluation	07/02/18	01/03/18	22
Write results and report and final deliverables	01/03/18	18/03/18	17

Key:

Calculated Cell	Manual Entry Cell
These cells will be automatically calculated based on the inputs on other cells.	These cells require manual input so the calculated cells have data to work with.
